Installation to be in accordance with AS/NZS 2455.1:2007.

Due to dye lot variations, actual colour may vary from sample.

Please Note: The nature of the construction of some carpets may impart a naturally occurring phenomenon to the aesthetics of the carpet. These can be Phasing and Panelling, Shift Lines and Shading, however, they are not manufacturing faults. In a patterned carpet, pattern match cannot be guaranteed. A reasonable pattern match can be obtained when laid professionally. It is recommended that this carpet be installed in accordance with Australian Standards AS2455.1. Colour variations and specifications may vary within manufacturers specified tolerances.

Your retailer will explain in detail any of the above applicable to this carpet.

Responsibility for the accuracy of these specifications is accepted by the displaying retailer.

Australian FloorStyle reserves the right to modify this specification without prior notice or prejudice
